

GURU SHIKSHA

THE FACULTY FOR PROFESSIONAL COLLEGES IS HIGHLY QUALIFIED & KNOWLEDGEABLE.

Having knowledge is one thing. Imparting it effectively to students is another horizon.

Unfortunately, the faculty had no opportunity to formal learning inputs in this regard.

Guru Shiksha series of training programme addresses this gap & equips the faculty with effective teaching skills.

FACULTY HAS KNOWLEDGE

And this precious gift is to be passed on to the prospective learners.

Learners are adults

Adult learners have their own preferred way to learn. The teacher needs to respect this preference.

Students are unwilling learners

Students have enrolled in the course to learn. Why are they unwilling?

Students are not respectful

The age gap between the teacher & the students is reducing. Natural respect for age is no longer a norm. How can the faculty command respect from their students?

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.”

Albert Einstein
