

# an open mind

Learning is not compulsory... neither is survival.

W. Edwards Deming

Success ties you to the past. The very factors that produced today's success often cause tomorrow's failure. As the world changes continuously, willingness to learn & adapt to changes are highly prized individual traits. Learning is not attained by chance; it must be sought for with ardor and attended to with diligence.

## Contents

Rules of being human

Why change?

Process of change

Change attitudes
